At the reception you will prove yourself by e-mail from Safe2Travel with confirmation of the collection time and QR code. Pick up the collection set 1 day before the date of your collection.

**Read the collection
instructions and make the
collection**

Follow the instructions on the leaflet or the instructional video from the e-mail to take in the room in the morning before breakfast on the day you booked the test.

Safe2Travel
LET'S RESTART TRAVELING

Pass the sample on time

On the ordered day, bring the disinfected tube in the package to the designated collection point. Prepare a QR code from the email for verification. You will pay for the test with the employee after receiving the test tube.

**ATTENTION! You only pay for the test
by cashless payment on the spot.**

**CONGRATULATIONS
you have DONE!**

Now just wait for your international certificate to receive in your email.

**Didn't receive the
certificate email?**
